

THE FLEX EFFECT

THE FUTURE OF SOCCER

Focus Flex is the camera that will bring your organization into the future. Any camera can capture the action—Focus Flex makes it easier. But it doesn't stop there. It also makes it easy to use that footage for livestreams, performance analysis and recruiting. And with the new and improved internal battery, you can record an entire match on a single charge. Ready to give your coaches and players the film they need to improve, develop and grow?

See soccer the way it was meant to be seen.
